

Aluminum Extrusion Product Line-Up

Bulk Profiles

- Standard 12 and 16 ft. lengths
- Available in standard and '**SMOOTH-Series**' (slotless) designs
- 1/4" and 5/16" slot sizes
- Optional powder coat color finishes
- Skidded, wrapped, padded and banded for shipping

Cut / Machined Profiles

- Extrusions cut to specified lengths (including miter cuts)
- Custom machining available: holes drilled, tapped; counter bores; milling; etc.

Components & Accessories

- Wide range of brackets, joining plates, gussets, fasteners handles, end caps, angles, corners, panel material, bolts, etc.
- Special hinges for ultra-strong doors
- Custom accessories available

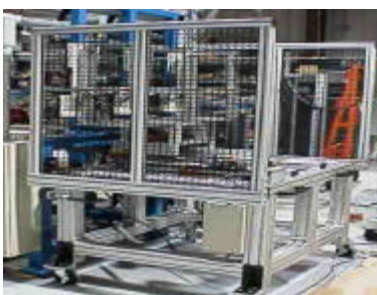

Kits & I.D. Kits

- For multiple frame orders, profiles and accessories are bundled and packaged for each individual frame
- I.D. Kits also indicate lengths on each extrusion (eliminates profile measuring during assembly)
- Saves you time, money and labor

FastFrames Modules

- Pre-engineered panels, doors, tables, carts, conveyor sections, etc.
- Single part number ordering
- Available assembled or in kit form
- Greatly simplifies designing & ordering of guards, frames, etc.
- All hardware is included

Complete Solutions

- Complete turnkey solutions for machine guards, bases, frames, enclosures, racks, workstations & more
- Tremendous labor (cost) savings
- The simplest solution available
